RE: Andrews for Congress ID number C00243428

Dear Ms. Iovino:

This letter serves as a response to your letter dated May 28, 2009 regarding the Andrews for Congress First Quarter Report and the need to itemize credit card disbursements.

As I mentioned when we spoke after I received the letter, I was unaware that the software program we use to generate the FEC reports did not transmit in the FEC report credit card disbursements that were made outside the reporting period even though the credit card bill itself was paid during the reporting period. I have sorted through the disbursements in question and put the transaction date in the "purpose" field so that you will be able to see when the transaction took place. I will continue to do this on future reports as necessary and until our software vendor fixes their program.

As always, please contact me if you need any additional information. I appreciate all your help in assisting me with our compliance.

Very truly yours,

Maureen Doherty
